

Approved Formulas List for California Women, Infants and Children (WIC) Program Families

Approved Ready to Feed Soy Formulas

Updated June 1, 2022 — WIC families unable to find their regular formula can temporarily mix and match newly approved formulas in the list below

- Shop at WIC approved grocers. Find WIC grocers at [MyFamily.WIC.ca.gov](https://www.MyFamily.WIC.ca.gov).
- Try to find your regular formula first.
- Scan the product with [your California WIC App](#) to confirm it is approved before checking out at the register.
- You can buy more than one kind of formula if it is on the list.
- Larger containers will use more of your benefits because they make more formula.

If your benefits say “Ready to Feed Soy Formula,” you can buy any of the 3 formulas listed below. If you have questions about your benefits, contact your local WIC office:

Brand	Formula Types & Sizes	Number of Cans Used in Benefit Balance
Enfamil	Enfamil ProSobee Ready to Feed 32 oz	1
Gerber	Gerber Good Start Soy Ready to Feed 8.45 oz (4pk)	1
Similac	Similac Isomil Soy Ready to Feed 32 oz	1

California Department of Public Health, California WIC program

This institution is an equal opportunity provider.
